

PERSONNEL BOARD OF JEFFERSON COUNTY

2121 8th Avenue North, Suite 100
Birmingham, AL 35203

June 23, 2006

The Personnel Board of Jefferson County (PBJC) has another assessment opportunity in August. In order to accurately and effectively assess the candidates' performance in this selection process, the PBJC is recruiting graduate students who are enrolled in **Industrial/Organizational, Human Resource, or Organizational Behavior** Master and/or PhD programs or individuals that have employee selection assessment experience to assist in the final assessment of these candidates. The assessment will evaluate candidates' performances on structured interviews and work samples from Monday, July 31st to Friday, August 4th for the Court Clerk, Driver/Messenger, Parole and Probation Officer, Public Safety Dispatcher I and II, and Property Control Clerk classifications.

The success of our process hinges on our ability to recruit highly competent individuals to assist in this assessment. Although we are unable to monetarily compensate the assessors that we recruit to assist in this process, the assessment does provide a number of other benefits to individuals who graciously agree to volunteer. Such benefits include:

- the opportunity to assist a governmental agency and to closely observe and learn about various selection processes and assessment centers;
- extensive training on employee selection assessment;
- valuable applied experience serving as an assessor for a variety of jobs;
- the opportunity to meet, work, and interact with a variety of individuals in similar areas of study from around the country, while at the same time enjoying the sights and culture of Birmingham; and
- all expenses paid by the PBJC for travel related to the assessment, including transportation (airline and/or mileage to and from Birmingham), lodging, and meals.

If you are interested in gaining valuable applied experience in the field of employee selection by assisting the PBJC or if you have any questions regarding this process, please contact Marty Alber at (205) 279-3595. Also, to expedite this process, interested individuals should complete the attached Assessor Information Form, and fax it to (205) 279-3596 or (205) 279-3410 or email it to alberm@pbjcal.org.

Thank you in advance for your assistance with this process. Please feel free to forward this email to individuals who may be interested. Thank you for your time and consideration.

Sincerely,

Marty Alber
