

PTC/MW Special Event:

Talent Connection & Networking Event

Facilitating connections among agencies, organizations, and talent.

Networking Event: October 12, 2011 - 4:30 pm – 6:30 pm

Location George Mason, Arlington Campus

Expand your professional network. Meet new colleagues. Identify top talent. As a participant in the **Talent & Connection Network**, you have the unique opportunity to build connections with professionals, academics, top available talent, and a wide array of public and private organizations that put all types of I/O talent to use. Meet with many prominent DC Area agencies and companies to gain valuable insights into the latest research, innovations, and employment opportunities across this cutting-edge network of scientists and practitioners.

Connect with professionals in the Network:

- ✓ I/O Practitioners & Academics
- ✓ I/O & Management Graduate Students
- ✓ Management Consultants
- ✓ HR/OD Professionals

Connect with organizations in the Network:

- ✓ Private Sector Organizations
- ✓ Consulting Firms
- ✓ Government Agencies
- ✓ Government Contractors
- ✓ Not-for-Profit Organizations

Don't miss the opportunity to speak with Dr. Robert Hogan, featured presenter for the PTC/MW October Workshop, who will be in attendance. Appetizers included, drinks available, and raffle to be held for the chance to win prizes. Please visit the event web site at <http://www.ptcmw.org> to learn more about attendee registration and benefits for sponsoring organizations, or contact the Membership Committee at membership.ptcmw@gmail.com.

SPONSORSHIP BENEFITS

As a participating sponsor for this October Networking event, your organization has the unique opportunity to build connections with many of the professionals, academics, and top available talent in I/O Psychology and related fields. Your sponsorship experience includes:

- ✓ Free registration for up to 2 members of your organization
- ✓ Showcase current projects, products, capabilities and job opportunities
(Dedicated 6' table included; sponsors permitted to replace table with booth signage)
- ✓ Discuss employment opportunities with high-potential job seekers
- ✓ Discuss collaboration opportunities with other organizations, agencies, and researchers
- ✓ Distribution of your marketing material and employment opportunities to all attendees
- ✓ Contact list of all registrants and attendees

Don't miss this valuable business development and staffing opportunity. To learn more and register as a sponsoring organization, please visit the event web site at <http://www.ptcmw.org> or contact the Membership Committee at membership.ptcmw@gmail.com.
