

THE DO'S AND DON'T'S OF GRAD SCHOOL – SURVIVING AND THRIVING

Join us at SIOP: Thursday at 12pm for a roundtable discussion

Experts from a range of career paths will offer encouragement and evidence-based, practical strategies. Some questions we will discuss are...

Best ways to deal with egos?

Best approach to networking?

How to cope with stress?

Building healthy advisor relationships?

Most important skills?

Best approach to peer interactions?

Choosing your own career track?

Biggest surprises upon entering workforce?
